

Isabela Zatti with Ana Carolina Carvalho— Athletics Domingao

It seems Isabela is very busy getting on with her life back in Brazil. Keeping fit is obviously one of the ways she's used to lose all that weight she gained in Oz. Well done Issy!

Rotary's early emblem was a simple wagon wheel (in motion with dust). It was designed in 1905 by Montague M. Bear, a member of the Rotary Club of Chicago who was an engraver. He designed the emblem to represent both civilization and movement. Most of the early Rotary clubs adopted the wheel in one form or another.

The present emblem, 24 cogs and six spokes, was adopted in 1924. A keyway was added to signify usefulness. An official description of the emblem was adopted at the 1929 International Convention.

OUR FOUR CHILDREN IN FIJI....

Janati Baleimacuata
Born: 24th Jan 2005

Janati is eight years old and comes from a family of eight, of which he is the youngest. His father is a farmer and Mom stays home. Janati is a bright boy who should be integrating to class 3 in the main-stream. He has club feet and has never been to school. He hopes to travel to Australia to treat his feet sometime soon. Janati wants to be a doctor when he grows up.

Kiti Tuwai
Born 27th March, 2002

Kiti is 11 years old with a 9 year old sister and 2 brothers. She is looked after by her grandmother. Kiti has never been to school and she will be in the Special School before she integrates into the mainstream school next

We got back from Germany on Tuesday night and then I went out with my friend Kate for a catch up and some shopping we also visited my first castle. On Wednesday My host dad and host brother had come home from Austria where they were skiing. They had just spent 18 hours in a bus trip. Me and my host brother get along just like brother and sister. He teases me and I tease him, he even threatens to steal my vegemite sometimes! How mean! He has even decided that cause he is a lot taller than me, he will hold things about his head cause its "funny to watch me jump for them" and he pretends to not see me because I am "so short" but I got his back by filling his jacket pockets with confetti and filling his shoes with paper, so we are always constantly playing pranks on each other!

The snow has finally gone, and I don't think it will be coming back in a hurry, as Friday is the first day of spring. I keep getting my seasons confused, I keep thinking autumn is coming soon. The only other problem I have had is understanding my host dads sense of humour, I never know if he is serious or not, which is hard sometimes. But my host mum is great, she just got home from 3 days in Copenhagen, I

missed her so much.

This coming weekend all the exchange students in Denmark are going to an island called Lolland to go to a theme park called Lalandia. So I should have some good stories from there!

This past weekend I went to Lalandia on Lolland, which is a big indoor waterpark in Denmark with all the other exchange students in Denmark! I had an absolute ball! They also had a few other activities such as bowling, ice skating and mini golfing. I have had a great first month and a half in Denmark!

FROM OUR GIRL IN DENMARK....

February

Just as i was settling in , I got shipped off to Intro Camp. Where i met 42 other exchange students. I met Mel at the train station and as we walked into camp, we were a little upset we weren't in the same room, but we ended up in rooms across from each other, so we spent al ot of time in each others rooms.

I walked into my room and found a girl called Laura there, she was from Kununurra, WA....yes the middle of no where. I was curious why i hadn't met her yet, because all the kids from WA flew through Dubai instead. But after a week of sharing a bed, and lots of D&M's we are now great friends!

While at intro camp we went to a city called Århus, where

we visited old town (gamel by) with buildings dating back to the 1500's!

I went back to school for a week, before winter holidays where I had a week off and spent 3 days in Germany with my Host mum and grandmother (mormor). We stayed in a town called tarp and looked around a town called Flensburg, we did a lot of walking that day and I went back to the hotel and crashed. We also did some old style bowling, which was lots of fun!

Salote Rua

Born: 6th Mar, 2003

Salote is ten years old and has a sister and brother. She is looked after by her mother and grandmother.

Salote loves to imitate older people and movie actors and actresses. (She's very good at it too)

She is developmentally delayed and wishes to be a singer and model and dancer

Tazmin B

Born: 9th May, 1996

Tazmin is a 14 year old girl who is hearing impaired. She comes from a family of 3— one brother and 1 sister. Her father is a carpenter and her mother looks after the house. Tazmin is a very hardworking girl. She will be integrated into the mainstream school for easier entry into the secondary school in 2 years time.

Tazmin wishes to work in an office and with computers.

PRESIDENT'S REPORT

By the time you read this report daylight saving will be over. It seems to have gone for much longer than in previous years. Remember when it finished on the Labour Day weekend in March? At least there will be morning light now for those of you who are early risers. If our current weather pattern keeps up maybe we will have a mild winter and in October daylight saving will be here again. Makes the year fly by doesn't it?

As mentioned in last week's bulletin the **Red Shield Appeal intersection collection** will be conducted on the weekend of 25/26th May. A roster will be circulated at our next meeting for members to show their usual support of this event. Please consider your availability for this appeal.

As you can see from the flyer above, Rowville-Lysterfield Rotary Club are conducting another **Business Breakfast on Thursday, 18th April**. The guest speaker is Brett Clothier, the AFC Manager of Integrity Services. Given the issues of drugs in sport lately, it should be an interesting presentation. Funds raised will support

District 9810's *Timor Leste Children's Home*. You will need to let me know if you are interested in attending this breakfast.

Last Thursday Enid and I, along with some Rotarians from Waverley and Forest Hill clubs attended a Rotary meeting at Healesville. The main purpose of the meeting was to present two of the recently returned Youth Exchange Students with a **recognition award** for their written achievements during their year overseas. Our own **Damien Croke** won the award (see last week's bulletin for his award winning presentation). He received a cheque for \$200 and a commemorative plaque.

For myself, visiting another club proved to be a learning experience; it was something I hadn't done for many, many years. It was interesting to see how other clubs run their meetings.

That's all for this week. See you on Monday.

Graeme Aspinall
President
