

**FRED MASON**

Fred first joined Rotary in 1967 as a charter member of RC Boronia. In 1994 he switched clubs joining RC Fern Tree Gully and was inducted on 9th May. Unfortunately for the past few years Fred has not enjoyed good health and has been finding it increasingly difficult to attend meetings. It is with great regret that the Board agreed to accept his recent resignation. We wish you Good Luck Fred and assure you, you will be long remembered as a vital part of Rotary.

## THE CLUB OFFERS MORE HELP IN FIJI—this time on the island of Taveuni.

Following the presentation given by Peter Malden of RC Boronia last Monday, the Club Board met and agreed to donate some of the funds from our Benevolent Funds (the Ivan Gigovic bequest), to help the Rotary Club of Taveuni build a much needed toilet block at the recently upgraded Ucunivatu Primary School. It was decided A\$1,000 will go to that project and a further A\$500 will go towards purchasing a vehicle to help Taveuni Rotarians in their constant travels around the islands. (See blow).

**Dual Cab Ute**

**Toyota LN-166**

**\$A15,500 needed**

**\$A13,500 pledged so far**

**8 clubs yet to pledge**

Available, rugged, reliable, easy to maintain -  
Taxis on the island are limited and not always available when needed -  
start and finish times especially  
Hire cars are non existent  
Public Transport not of use  
Rotarians private cars are getting run down due to large usage on the rough roads  
Future projects will each fund the running costs

## PRESIDENT'S REPORT

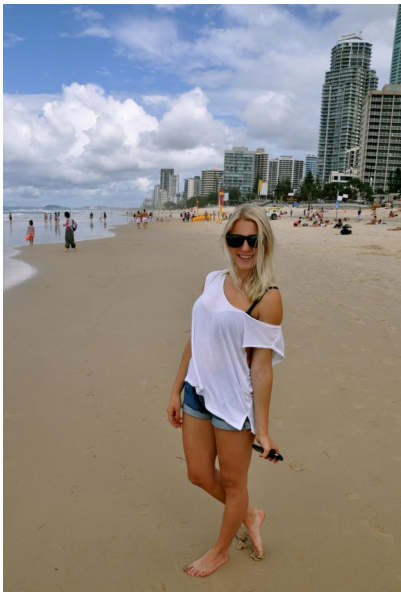

Our guest speaker last Monday—Peter Malden from RC Boronia—gave us an update on their projects on Taveuni Island, Fiji. Peter spoke in detail of where each of the projects are at and what is still required for them to reach completion.

Peter gave a presentation to our club some time ago and in response the Board budgeted to supply funding to support this project. At our Board Meeting last Monday it was agreed that we donate \$500 towards the purchase of a dual-cab ute, to be used for projects on Taveuni, and \$1,000 for the building of a toilet block and amenities at the Ucnivatu Primary School.

We have now donated \$2,500 this year from our Benevolent Fund in support of the very worthy projects in Fiji.

Enid has completed the sending of all the invitations to our **50th Anniversary** celebrations. Sixty invitations have been mailed to past members, exchange students etc. Email invitations have also been sent to current members, neighbouring cluster clubs and various local dignitaries. It would be greatly appreciated if recipients could respond without delay and thus assist in organising the event as smoothly and efficiently as possible.

That's all for this week. See you on Monday.

Our current exchange student **Caroline Wilhjelm** pictured on the beach in the Gold Coast—one of their stops on Safari.

(Safari????? I thought safari's were about the outback and studying/tracking wild animals. Er... am I back in the 20th century? Ed.)

For those of you who watch what you eat, here's the final word on nutrition and health. It's a relief to know the truth after all those conflicting nutritional studies.

1. The Japanese eat very little fat and suffer fewer heart attacks than Americans.
2. The Mexicans eat a lot of fat and suffer fewer heart attacks than Americans.
3. The Chinese drink very little red wine and suffer fewer heart attacks than Americans
4. The Italians drink a lot of red wine and suffer fewer heart attacks than Americans...
5. The Germans drink a lot of beer and eat lots of sausages and fats and suffer fewer heart attacks than Americans.

**CONCLUSION: Eat and drink what you like. Speaking English is apparently what kills you.**
