IMPORTANT NOTICE

Weekly Meeting—Meals

Those who were at the meeting last Monday would have noticed that the serving of the main course was a bit of a debacle with the wait staff not knowing who was having what. After a meeting with the Tavern staff the following procedure has been agreed to:

- A new dinner sheet has been made up for cashiers. It has two extra columns—one for salad; one for vegetables.
- Effective immediately, there will be two choices—chips and salad, or vegetables (with potatoes). When selecting your main course you will be given your usual coloured chip (yellow, black or red).
- IF YOU OPT TO HAVE VEGETABLES you will be given a blue chip in addition to the usual one. This will alert the wait staff that you have ordered vegetables.
- If you don't have a blue chip you will get chips and salad.
- CASHIERS—a small paper slip will be issued for you to fill out and hand to the kitchen. This slip will list the number and type of meals and how many have veg or salad.

D. G. MERV ERICSON & KAY

- Spoke of 2 years training for the DG post and went on to outline his personal history then of the meeting he had had earlier with Phil W and John F.
- Congratulated the club on its fundraising and projects. Our Annual Report he indicated covered the whole of the Rotary spectrum. He made the point that the club has connected with its community and that membership is key. (His club has gone from 18-25 members this year).
- Publicity is being pursued by Rotary this year.
- Bendigo and Sydney conferences are in 2014.
- Next President has concentrated on membership, Foundation, District Grants.
- He gave badges to Phil W and Graeme stating "doing things that way".
- Kay spoke of a trip to India. Her pet project is Polio Eradication. 1988—2003 2.5 billion children worldwide have been vaccinated. \$1Us billion has been contributed.

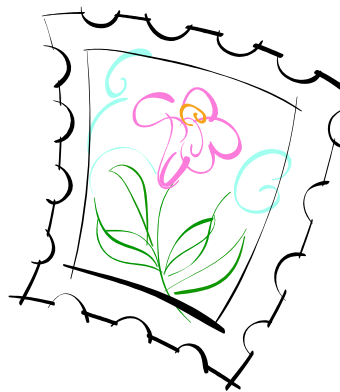

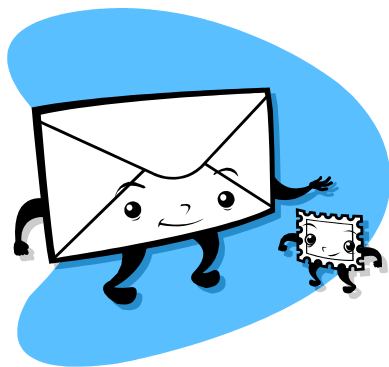

President Phil thanks Merv and Kay, and also Russell G for the visit and presented a cheque for \$200 to Kay for Polio Eradication.

Paul McA asked the DG how his club had increased membership by 7. Answer: almost the sole effort of the new president. Club must be welcoming, visitors must be looked after. His club is informal.

There being no further business President Phil read out the housekeeping duties. Wished Cheryl Wylie and Greg Downes a happy birthday for 4th. There were no anniversaries or inductions.

Meeting closed at 8.42 p.m.

WATER PUMPS for the slums of MORADABAD

will be the focus of our “**USED STAMP PROJECT**” for 2013/14

In February, 2013, a group of Rotary partners journeyed to India to partake in a National Polio Immunisation Day.

One of the villages, namely Moradabad, that they visited was so incredibly poor with no fresh water and atrocious living conditions that they were moved ask Rotary for support on their return.

A video of the village was shown at Conference, and the obvious need so great, that Clubs donated an immediate amount of dollars to locate a fresh water supply.

The stamp fund is committed to providing **TEN WATER PUMPS at a cost of \$500.00 each**, by the end of this financial year.

Please encourage local business, medical clinics, hospitals, local Councils, schools, friends and neighbours to help us achieve our objectives. It is just so easy for us to turn on a tap.

THIS PROJECT WILL NOT COST YOU ONE CENT !!

Stamps are sorted into HIGH VALUE – 70c and over

INTERNATIONAL – FOREIGN stamps

Stamps 60c and below.

Stamps in ALBUMS – please leave intact to protect stamps.

Loose stamps, with NO PAPER backing have to be kept separate.

There are no “overheads” monies raised will go directly to the project.
