### **DGE David Tolstrup**

Last Monday David took the opportunity to visit RC Fern Tree Gully in our temporary premises—Degani Bakery Café, Wantirna South.

It was interesting to hear his views on what it's like to be a DGE and to listen to some of his plans for his year as District Governor. Thank you David!

## "MIKE'S MUSINGS....

Hi, all.

Another good, flowing, convivial meeting was enjoyed last week – but we will have to moderate our vocal delivery levels (and limit our background conversations) so that all members can hear what's being said and react accordingly, please.

David Tolstrup, the District Governor Elect, gave us many insights into the process of taking on that position for 2015/16. The years leading up to and following the actual year of being in office require a great deal of commitment and time and effort.

The big TV at the end of the room can be used as a projection screen for our laptop, as we now have an appropriate cable. Thanks for rushing off to get it, Graeme, even though it was not used!

As mentioned, we have booked the venue for the next four or five weeks, to give us time to better evaluate our needs. The people seem very keen to adapt to our needs, and suggested a different style of meal for this week – should be interesting!

Keep well, and happy! TTFN from Mike.

President*
