TUPPERWARE— A BETTER WAY TO CHOP ONIONS?

Second in Command, (John Flemming is First), Graeme Aspinall attended a “Blokes’ Tupperware Party” and discovered there IS another way to chop onions! Maybe he can give lessons to John before the preparations for our next Bunnings’ Sausage Sizzle.

Go Guys!

Vale Bett. Thomson

Ken and Bett Thomson's association with the Rotary Club or Fern Tree Gully went right back to its beginning as Ken was a charter member of the club. Over the years the Thomsons were very much involved with the activities of the club.

The Rotary Club of Fern Tree Gully was a major player in the establishment of both Knoxbrooke and the Ferntree Gully Bowling Club (Ken served on the board of Knoxbrooke and Bett was involved with the Bowling Club for many years).

Unfortunately, in the middle of last year we lost Ken and we were saddened to learn that on the weekend before last Bett passed away at the age of 94.

Bett was a dignified and friendly woman who supported Ken and our club over the years to the extent that the club recognised her support by awarding her a Paul Harris Fellowship. Her funeral was conducted at the Anglican church of St John the Divine on Friday 10 April and was attended by members of our club. With Bett's death came the end of an era.

Quick links: You will be able to designate favorite links from the Club & District Administration section and access them from your My Rotary dashboard.

Overall redesign: Club & District Administration pages will be more structured and have an improved visual design, allowing for better grouping of related activities and making the pages easier to use.

Call for Registrations - District Assembly 2015

Assembly is for EVERY Rotarian

**Come along and shape Rotary
the way you want it to be –
be part of the change evolution!**

D9810 Assembly will be held at **Parkdale Secondary College**, Warren Rd, Mordialloc on **Sunday 17th May 2015**. Registration commences at 8.00 am and sessions will conclude at 2.00 pm (**including lunch for all Rotarians**).

There is no doubt that Rotary is evolving to meet the changing needs of our local and international communities, helped by rapid advances in social media - that allows us to better connect with our communities.

Be a gift to the world

So much is happening, - it is safe to say, that if you don't keep up with the advancement, you will be left behind your fellow Rotarians who are inspired to take our organisation to the next level.

Much is happening through collaboration between clubs. Larger clubs are helping smaller clubs with projects and events. Clusters are now teams of Rotary Clubs.

Experience shows that Clubs that attend District Assembly go from strength to greater strength. The Clubs that don't attend Assembly are the Clubs that need the most support. If you are not there, your neighbouring clubs cannot help you.

Assembly is now about empowering clubs and Rotarians to be successful. Our District Leadership team is there to bring you the latest directions and guidance from Rotary International, - all you need to know to maximise your Rotary experience, but **YOU** are responsible for **shaping the year ahead for your club and cluster**. No long lectures – your opportunity to do what Rotarians do best - interact with their colleagues. The program includes:

- DGE David Tolstrup outlining Rotary International and District 9810 directions for 2015/16
- District Committee (Avenues of Service) Chairs seeking your feedback on strategies, plans, activities and targets for 2015/16
- Key Club Officer sessions on the latest tips and techniques for Club Secretaries, Treasurers and Membership Chairs
- Interactive Cluster Club collaboration session including multi-club (Global Grant) project opportunities, joint publicity and membership drives.
- Identifying opportunities for smaller clubs to work with larger clubs – together we can achieve more. AND
- The **best muffins in Melbourne** for morning tea.

We strongly encourage you to be there.

David Tolstrup

District Governor Elect
