## WEEKLY BULLETIN

### **MICHELLE CRAWFORD** CONCERN AUSTRALIA

Michelle gave the club an interesting insight as to the workings of Concern Australia and their efforts to assist the disadvantaged youth of our city. Michelle is passionate about her job which she has only been doing for the last four months.

A wonderful presentation! Thank you Michelle.

## CHRISTINE'S CHATTERBOX

Our vibrant speaker on Monday, Michelle Crawford CEO of Concern Australia, gave us the most inspirational talk, on the wonderful and obviously needed programs that her organisation is able to provide for children, youths and families, within the inner city of Melbourne. From the many questions our club members raised, I think that everyone might not have been aware of organisation's like this that address many social problems but we as a community in FTG do not experience, however I am sure they do exist. Michelle's team of workers and the varied programs they provide might give us all some food for thought for similar programs we could develop in our local Knox community.

Another very busy week for all our club members, as a relatively new member and President of a small vibrant club, the extra effort being put in by all, makes me very proud to be your President, Thank you to everyone for your great contribution. We surely must be going for the Guinness Book of records for the most Community sold sausages in one week.

You all deserve a good rest this weekend, enjoy the footy final, and the long weekend

Look forward to seeing you all on Monday Night

Yours in Rotary  
**Christine Anderson**  
 President 2016-2017

# "THE WEEK THAT WAS"

Monday, 26th September, 2016

The meeting opened at 7pm with President Christine welcoming members, and our guest speaker Michelle Crawford from Concern Australia .

**Secretary:** Paul McAloney had a quiet week with no mail to distribute.

**Apologies:** Enid Hughes, Gary Braddock and Martin Boettcher.

## Chairman's Reports:

**Community:** Ray Hollis

- reported that the garden beds project at Eastern Ranges School is ready to go ahead with the assistance of Paul Wilson, Gary Braddock, Graham Faulkner, himself and one staff member from the school. The retail value of Bunnings contribution to this project is in excess of \$600.00.
- The sausage sizzle to assist The Commonwealth Bank with their efforts to raise funds for Very Special Kids is to go ahead on Thursday 29th September with Ray Hollis and Enid Hughes from Rotary and Ravi Kohli and Jimmy Reid from the bank.
- Graeme Aspinall is working diligently (when he is not cooking sausages) in his endeavour to find a suitable venue for our Busy Feet project.
- Ray proposed that the club make a donation of the cost of the goods for the sausage sizzle, seconded by Paul Wilson, PASSED. Cost is approximately \$80.00

**Vocational:** Garry Braddock has booked a visit to D I K on the Saturday 4th February 2017. It has been suggested that we make this a Partners day and go out for a lunch somewhere as well.

**Fellowship:** Fran mentioned that she had some brochures for the Jazz Museum. A number of people showed an interest so Fran will follow up.

**Youth:** Paul Wilson advised that the Students from Fairhills Secondary School who went to the recent RYPEN weekend will be joining us on November 28th to give us an insight into their experience.

**Fundraising:** Graeme Aspinall told us that the 2 sausage sizzles held at Bunnings last week raised approximately \$1,100.00 dollars. These were done at short notice after a request from Bunnings. With 3 more to do this week it should be a very productive fortnight. Graeme and his erstwhile assistant John Flemming certainly do a great job.

**Sergeant-At-Arms:** Mike Spark updated our knowledge of messages printed on T-Shirts as he collected our "donations" Paul Wilson won the Skill but only drew the Ace of Spades .

Not enough skill to draw the Joker.

## PROGRAM: Michelle Crawford—Concern Australia

Concern Australia was started 40 years ago by the "God Squad" bikie group to help disadvantaged youth. They concentrate their efforts on the 5 yr old to 21 yr old age bracket and assist them in the areas of Education, Housing and Homelessness and Justice. They have a programme called STEPS which assists homeless youth and they have another programme titled HANDBRAKE TURN which helps some of these young people to learn about repairing motor vehicles and can lead to an Apprenticeship placement.

President Christine thanked our speaker for an interesting and informative presentation and the meeting closed at 8.27pm

**Scribe:** Ray Hollis.
