## WEEKLY BULLETIN

## ROTARIANS ON THE MOVE

Australians Heather and Lawrie Anderson gave us a terrific insight to what it's like to travel the world as a Rotarian—it seems there are friends wherever one goes. Their stories of their travels to England, India and various other parts of the world gave us a tremendous insight as to what one can do as a Rotarian. From simply visiting an area to helping *Do Good in the World*.

Thanks must be given for such an interesting presentation.  
(See page 3 for further details)

Come back soon both of you!

## CHRISTINE'S CHATTERBOX

As I write my last Chatterbox Message for 2016, it gives time to reflect on what a tremendous effort our small but vibrant club has contributed to the Rotary year's theme "Rotary Serving Humanity". All of your tireless efforts, whether it being sausage sizzling, building raised gardens beds, tin rattling for Rotary Health, arranging our guest speakers, our youth programmes, membership drives or giving us all the opportunity to have fun as Rotary friends, we have all worked hard a huge thank you to each and every one of you and your partners.

As we approach this magical time of year and all have well deserved rest I am really looking to forward to a wonderful 2017.

I wish you and your families all a Very Merry Christmas, have fun stay safe,

And a Happy New Year to you all.

Yours in Rotary  
**Christine Anderson**  
 President 2016-2017

# "THE WEEK THAT WAS"

Monday, 12th December, 2016

**President Christine** opened the meeting at 7.10pm. A little late as we had been attending the presentation of the ROTARY JUNIOR COMMUNITY ACHIEVEMENT certificates to the students at Ferntree Gully North Primary School.

After welcoming members and guests and reporting on the success of the awards presentation Christine then handed over to Chairman Paul Wilson who proceeded to call for reports.

**Secretary Paul McAloney** advised that incoming mail had been distributed. Paul then read us a letter from Beth Vize who had noticed Mike Spark's remark in last week's bulletin regarding the Rotary Centurion program. Beth enclosed a donation to be used towards our annual giving. This generosity was well received by all.

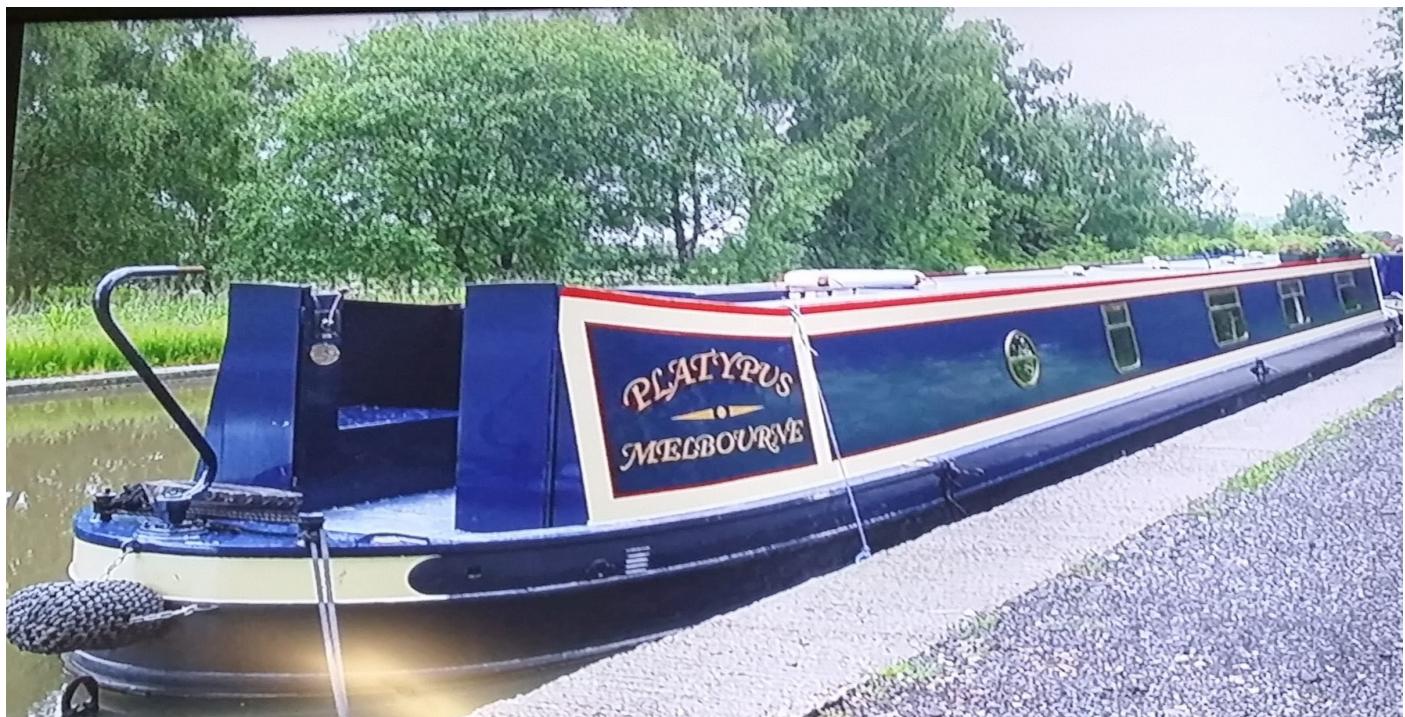

Apologies. Sean. C, Martin. B, John. F, Gary B.

**Youth Chair Paul Wilson** reiterated the success of the RJCA awards and expressed the hope that this will continue again next year and the fact that we are endeavouring to include more schools in this very worthwhile program.

**Fellowship. Fran Manndergeddes** reminded all about our upcoming excursion to see Kinky Boots early next year and our final meeting for 2016 which will be a BBQ at the bowling club.

**Fundraising. Graeme Aspinall** circulated a roster request for our upcoming sausage sizzles at Bunnings on December 30<sup>th</sup> and January 13<sup>th</sup> and was pleased to note that many members were willing to pitch in and help out.

**Sergeant at arms Paul McA** regaled us with some musing while he collected our fines.

## PROGRAM:

After a short meal break Chairman Paul introduced our guests Heather and Lawrie who proceeded to tell us a little about their life experiences. After selling the general store at Kilcunda on our wonderful southern coast they headed off to England to spend 12 Months living on a long boat. This intended short stay turned into an adventure spread over 12 years. They named their Long Boat Platypus which I suppose helped to maintain the Aussie connection. Their long boat was 60 feet long but only 6 feet 10 inches wide so not quite a floating castle. During this time it seems they covered most of the 6,000 miles of canals and rivers. The Rotary club of Stonehouse was their club of choice in England and from the interesting and informative talk with which they entertained us it was apparent that they found this experience very rewarding. Heather and Lawrie also conveyed the many wonderful adventures in which they have been able to participate in various parts of the world as part of their Rotary experience.

There being no further business President Christine read out the birthdays and then closed the meeting at 8.45 p.m.

Dear Rotarians:

For 100 years, The Rotary Foundation has been supporting the work of Rotarians like you, who find sustainable solutions to their communities' most pressing needs. Last year alone, Rotarians partnered with our Foundation to:

- Equip communities in Peru with water filtration systems and hygiene training to improve public health
- Create a mobile cancer screening unit in India to lower mortality rates due to late diagnosis
- Train midwives in rural Uganda to use ultrasound scanning to identify life-threatening conditions during pregnancy

**This year we need your support more than ever as we celebrate 100 years of Doing Good in the World. [See](#) how every gift makes a difference.**

Give the gift of Rotary today and be a part of the positive change Rotarians are making in your community and around the world. If you've made a gift recently but it has not yet reached the Foundation, I appreciate your generosity. Thank you for supporting our Foundation's good work and your commitment to *Rotary Serving Humanity*.

Sincerely,

Kalyan Banerjee  
2016-17 Trustee Chair  
The Rotary Foundation of Rotary International

**GIVE NOW**

**P.S. By making a gift to The Rotary Foundation today, you are empowering Rotarians in your club and around the world to do good in the world.**
