WEEKLY BULLETIN

Farewell to Knox Rotaract

After a huge effort over several years it was decided, sadly, that Knox Rotaract were not going to make it. So sorry guys—you worked really hard to make it happen.

With the help of Bayswater & Ferntree Gully Rotary clubs, Knox Rotaract funded, built and installed a music wall at Haering Rd Pre School. This was Knox Rotaract's last project since disbanding. It was a great effort guys.

Members of the Rotary Club of FTG attended Knox Rotaract's last Red Faces where they raised some \$1,300.00 for ovarian cancer.

Well done guys!

CHRISTINE'S CHATTERBOX

Another busy week for our small but little vibrant club during the past few days.

A huge thank you to Paul Mc, Graeme A and Allan T for helping out at the CBA sausage sizzle for "Very Special Kids". The day started out quite slowly but we managed to raise the same amount as last year, great that we did this in partnership with the Rotary Club of Knox and the bank "Pink Pig" doing his stuff to promote this great cause.

Last Wednesday members of our board attended a Dobson ward volunteer's "Thank You" at the Knox Council office. What a wonderful committed group of citizens we have in our area, all with the same vision to make where we live a healthier and better environment for all of us to enjoy.

Our Thursday meeting saw us all the Royal Hotel, enjoying a lovely meal and good fellowship time together. Should have more off site meetings occasionally throughout the year.

This week we are back at the Bowling Club for a BBQ meeting, again partners are welcome as this will be another casual meeting.

Friday, we are tin rattling at the FTG metro rail station, Paul Mc and myself will be there from 6.30 am, anyone who cares to join us are welcome. Australian Rotary Health will benefit from our collections. A good PR programme to promote Rotary to the general public.

Hope you all enjoyed the long weekend and the footy final, no excuses now to get back to all those overdue home projects.

See you all on Thursday

Have a great week

Not long now before we will be back to our normal meetings (guest speakers etc) and all our travellers will be back.

Yours in Rotary

Christine Anderson

President 2017-2018

"THE WEEK THAT WAS"

Thursday, 7th of September 2017

*The meeting opened with the toast to Rotary by Sgt Alan Tierney and President Christine welcoming all members and visitors, (well members anyway); our beloved President welcomed the masses in attendance, **all 7 of us** (the meeting room look positively bare!)*

President Christine's announcements:

- Commented on the enjoyable evening last Friday at the Lilydale's Theatre presentation of "High Society" and expressed her thanks to Fran for organising the event.
- Invitation from local MP Kim Wells to attend the grand final breakfast on Thursday, 28 September, 7:15 am for 7.30 am start. Speaker will be former AFL footballer Matthew Lloyd, Mick Warner Herald Sun football journalist and Bruce Eva 3AW football commentator.
- Commonwealth Bank Mountain Gate are holding their annual fundraising barbecue for "Very Special Kids" and have invited the Rotary clubs of Ferntree Gully or Knox to participate. It was decided that given the size of our various clubs it might be better if we did a combined effort.
- Has received a copy of the permit required to conduct the tin Rattle at the Ferntree Gully railway station for 'Rotary Health Research' this is to be a cluster event which will also be conducted at Bunnings Hardware Store.
- Apparently, there was a 'Balls up' with the booking at the Ferntree Gully Bunnings Hardware Store for the sausage sizzle on the Father's Day Sunday, Graham Aspinall and John Flemming turned up with sausages and bread etc only to find the barbecue tent already occupied by members from the 'University of the 3rd Age'. Whoever was responsible for the booking at the store unfortunately doubled up, which impacted on our members who had volunteered from being able to fully enjoy their Father's Day with their families.

Chairman and Secretary for the night: PP Paul McAloney advised that the mail has been distributed to the relevant persons and read out the rather long list of apologies;

Rotary Knowledge: not tonight

CHAIRMAN'S REPORTS: due to the small number of members in attendance there were no reports but there are quite a number of items related to future Rotary club activities to be reported here.

Apologies: Received from PP John Flemming, PP Enid and Rtn Ray Hollis, PP Fran Mandergeddes, Rtn Paul Wilson, PP Mike Spark (no 'e'), Rtn Martin Boucher)

Treasurer: (Enid Hughes): apology

Vocational: (Gary Braddock): to report board meeting next week

Community: (Ray Hollis): apology

Youth: (Paul Wilson): In Rotarian Paul's absence Pres Christine reported that for the 2017 RYPEN experience at Mount Evelyn on September 17, we are sponsoring two participants, Keely

McKenzie and Noah Hayden. As the club has sponsored 2 participants this year we have the opportunity of 2 representatives from the club attending the RYPEN experience as well.

Club Service: no report

Fellowship: (Fran Mandergeddes): Pres Christine made further comment on the enjoyable evening we had at the Lilydale Theatre last Friday.

Membership (John Flemming): apology

Foundation: (Mike Spark): apology

Sergeant-At-Arms: our new member (but experienced Rotarian) Alan Tierney conducted his first Sgt's session by introducing a new twist. Each person present to think up a sentence then the person next to him/her had to start off their sentence using the last word of the previous person's sentence. Hilarity resulted!

Skill: won by past PP Paul McAloney who drew the 8 of diamonds, not even close and certainly no cigar!

PROGRAM:

Whilst we have suspended our speakers program until we have our travellers return, on this night there was enough information/correspondence/emails on the table to keep us entertained as they were read out by Pres Christine:

- On Friday, 13 October there is a charity breakfast being organised by the Rotary club of Rowville/Lysterfield commencing at 7.00 am at the Waverley Golf Club. The speaker will be Jimmy Bartel cost of \$60 per head.
- The club is going to participate again this year in the Ferntree Gully Village Fair, we will be conducting the same activity as last year, there are enough items left over from last year to enable us to do this.
- Ferntree Gully North Primary School is participating in the Junior Rotary Community Awards they have about 15 students who are participating in the program and are hoping to be ready by December
- There is 'One-day to Conquer Cancer' a cycling and walking event to raise money for the Peter MacCallum Cancer Centre being held on October 29 this year. The event is held at the Albert Park Lake and is hoping to raise in excess of \$1.7 million. If anyone is interested in participating they should speak to Rtn Paul Wilson or Pres Christine who have the details
- Email from district wanting support in donating \$1,000 to the New Zealand earthquake relief fund. Also
- correspondence from the 'Creative Kids Trust' regarding a music therapy program been conducted in schools in Blenheim South area New Zealand for children who have suffered ongoing after-effects of the recent earthquakes in the area. These after-effects are a form of PTSD. This is a RAWCS project being led by the Rotary club of Blenheim South in New Zealand.

Meeting Closed at 8.05 p.m.

President Christine announcements:

- Attended a meeting of the Ferntree Gully Traders re the FTGully Village Fair to be held on Saturday November 27th. The club will again be participating with a stall for young children to make a Christmas decoration. Christine believes there could be other opportunities for our club to partner the traders group in other activities.
- The Cluster will again be supporting Lift the Lid on Mental Illness. Our club will be tin rattling at Ferntree Gully Railway Station and again at Bunnings a roster will be set up.
- Our donation of \$500 to Liam a student going on a student exchange to Germany next year has been increased to \$1,400 following a short fall in fund raising by his family. He will be invited to the club before the end of year.

at Bunnings on Friday September 8th raised \$530.

Fellowship (Fran Mandergeddes) The upcoming social activities are 8th Oct – Jazz at the Royal Hotel and on the 12th our indoor bowling night at the Boronia lanes.
