## INTERACT INDUCTIONS

Lots of laughter and enthusiasm. This year's Interact team is going to be a good one; lead by Noah who is himself a "newby" he is already displaying great leadership qualities .

Members of the Rotary Club of Fern Tree Gully are proud to support such a great team. Well done guys!

## CHRISTINE'S CHATTERBOX

Another week of busy activities for many of our club members:

- Bunnings sausage sizzling
- Bowel Cancer collections from the four pharmacists
- Great Community Raffle ticket selling at Maxi Foods

A huge thank you to all the members involved in all these activities.

I am looking forward to this week's guest speaker Liam Basterfield, presenting on his school exchange visit to Germany in March; everyone welcome as long as Ray is advised of numbers.

The end of this Rotary Year is fast approaching. The District 9810 change over dinner is this Saturday— a little bit earlier than usual, but to allow many members to attend the World Conference in Toronto.

This coming Saturday we are participating in "World Environment Day" Community Planting in Knox all members and family are welcome at the Mint Street Wetlands.

Have a great week.

Look forward to seeing you all on Thursday

Yours in Rotary

# "THE WEEK THAT WAS"

Wednesday, 24th May, 2018

Being the fourth week of the month, this week's meeting was supposed to be devoted to Committee Meetings, Group A. But by the time we had finished the various reports and the Sergeant's session we had run out of time.

- Paul W reported on the induction of six new members of the Fairhills HS Interact Club.
- Samuel Brandon—Monash Uni student looking for assistance. He is doing a Bachelor of Advanced Science—Global Challenges. Samuel has been involved for a long time with Rotary. He recently moved down from Yamba, NSW in Rotary district 9640. Through Rotary Samuel has completed the National Youth Science Forum (NYSF), the Rotary Youth Program Of Enrichment (RYPEN) and Rotary Youth Driver Awareness( RYDA). He was vice president of his Interact club and helped to fundraise for numerous organisations, including Polio Plus. Samuel has offered to present his case to the club. Rob H to get back to him.
- Chris Lin—RYLA candidate. Paul Wilson to get back to Don Kearly and request Chris's CV.
- Sausage Sizzle at Mountain Gate for Very Special Kids—Friday, 27th July to be put in the calendar.

Bulletin Editor

The Fairhills Interact Club meeting was well attended with six new members being inducted. District Chair, Salwan Shahine was there to say a few words and President Christine handed out certificates.

### *The Computer Swallowed Grandma*

*The computer swallowed grandma  
Yes, honestly its true  
She pressed 'control' and 'enter'  
And disappeared from view.*

*It devoured her completely  
The thought just makes me squirm  
She must have caught a 'virus'  
Or been eaten by a 'worm.'*

*I've searched through the 'recycle bin'  
And files of every kind  
I've even used the 'Internet'  
But nothing did I find.*

*In desperation, I asked Jeeves  
My searches to refine  
The reply from him was negative  
Not a thing was found 'online.'*

*So if inside your 'Inbox'  
My Grandma you should see  
Please 'Copy', 'Scan' and 'Paste' her  
And send her back to me!*
