## PRESIDENTS GREETINGS AND CHATTER

September Rotary International Theme is  
“Basic Education and Literacy Month”

Hello Everyone,

What an interesting guest speaker listening to Professor Peter Kerr the Director of Nephrology Monash Medical Centre, who spoke in layman’s language that all we understood, amazing information that we could all do to improve our health and fitness.

A big thank you to Paul and Kay for another lockdown sanity check zoom fun night. “Bag a Bargain” costumes were very inventive, and the glitter will be in our homes to remind us for a while what a fun night we all had.

This week we have slightly changed our program so everyone will have the opportunity to share their Rotary web site discoveries for project ideas and all things Rotary to keep our motivational spirits soaring for brighter things to plan.

Thank you to all the lemon coconut slice makers his week,

Everyone including partners are invited to this week’s meeting

All Stay Safe Keep Laughing

Have a great wee

Graeme and Christine
