“ROTARY FELLOWSHIP”

Hello Everyone,

We hope you all had a relaxing Queens Birthday Long weekend staying warm, despite plenty of rain and not much sunshine, hope you could enjoy some down time.

Last week's meeting, we had the privilege to hear from Ken Mirans from the Rotary Club of Beaumaris talking to us as the District Youth Protection Officer. It is always good to have updated information and our obligation as Rotarians to make sure all Rotary Youth Programmes meet with not only Rotary standards but also with State laws. A very enjoyable evening, and very well timed as our youth programmes are starting to ramp up again.

This week's meeting, we will have the pleasure of hearing from Mark Glazebrook talking to us on a very important local Knox Council Issue “Saving Lake Knox”

Also just a reminder that Saturday 18th June at 2.00 PM as our club belongs to the FTG Village Traders Association, a Public Meeting is being held at the United Church FTG (opp the CFA) where residents want answers to “Commuter Car Park in the Centre of FTG Village. 16 MIL is being spent and no one knows anything about it. The Community want answers, where will it go, what will it look like and why are we getting it. We would encourage all members and partners friends and neighbours to attend. Our club is also helping to facilitate the afternoon.

Have a great week

That Was The Week That Was

Scribes report not received.

Although the day was wet, cold and windy Club members braved the conditions to make the day very successful. Thanks to everyone for the support given. Profit for the day was about \$600 give or take a few dollars.

Our next Sausage Sizzle will be on Friday July 14th. I am aware some of our members may be away on this date, at this week's meeting I will be seeking an indication of who will be available for this date.

Inspiring Kindness in Knox

Thursday, 2 June 2022

We invite you to attend an afternoon with the duo behind 'YiaYia Next Door', showcasing the importance and power of community connection.

On Tuesday 21 June, Knox will be hosting a free event with special guests, Daniel and Luke Mancuso - dynamic duo and brothers behind 'YiaYia Next Door'.

Inspired by their Greek neighbour, Daniel and Luke founded 'YiaYia Next Door' in memory of their mother – a victim of family violence. Their incredible story is a reminder of the importance of kindness within our community and how sharing food and culture can bring us together.

Be inspired by their vision for building communities where people feel safe, and neighbours connect and care.

The event will be from **4.30pm - 6:30pm** at the **Ferntree Gully Library** and is open to anyone and everyone in Knox. Join us for a night of fun activities, delicious food and to learn about the ways you can be involved in your community.

Tickets are free, [book now](#).

Mountain Gate Community Op Shop

Mountain Gate Community Op Shop has been operating for over 40 years at its site in Mountain Gate serving the local community through the sale of preloved items and channeling donations to many local organizations. After many years of operations, the reins have been handed over to Foothills Community Care to continue serving the community while channeling much needed funds into our meals programs.

Mountain Gate Community Opportunity Shop provides low cost recycled and upcycled goods for sale at a good price, providing pre-loved goods a second home. This is a win for the environment, a win for our customers and a win for our community.

Funds raised through our shop go directly to services across Foothills Community Care including our Meals Programs, Monday Upway Community Meals, Wednesday Ferntree Gully Community Meals, delivery of Community Casseroles and their Women's DV Per Support Program.
